DETAILED ACTION

Specification

The specification of the disclosure is objected to because its first line is not amended to incorporate the child reissue application. Correction is required. See 37 CFR 1.177.

Reissue Oath/Declaration

The reissue oath/declaration filed with this application is defective because it fails to **identify at least one error** which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

Claims 1-33 and 47-80 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.
